

N° 45 : July 2019

**VLUX** is one of the most active world leaders in the development, production and commercialisation of quality weatherproof luminaires.

## Summer Vacation 2019

Our company will be closed for Summer Holidays from 29 July till 16 August 2019. Of course you can keep counting on our service during the holidays. So don't hesitate to contact us during those 3 weeks.

- Philippe Delaude at [phd@vlux.com](mailto:phd@vlux.com) Mob + 32 477 19 67 06
- Timo Beverdam at [tb@vlux.com](mailto:tb@vlux.com) Mob + 32 472 19 04 57

We are ready to help with all your questions and we wish you a nice holiday!

The VLUX Team

## GREAT NEWS FROM VLUX !

After the big success of the **Futurix**, **PAS** and **Futurix Ecoline** in small (single) version we launched also the small version for the **LiLi** (IP44) . For schools you can choose either the **LiLi** or **ECHO LED**, with life times of more than 16 years (8 hours a day) and significant savings.

In the Emergency range we have our new **VEL** in 2 different models, with several options.

The range of recessed fittings [RES](#) and [SUR](#) is completed with [ECLIPS LED](#) and [IDL](#).

One of the systems we use for Lighting control is **CASAMBI** : Wireless communication by mobile phone application. We have very good experience with this versatile solution.

New mounting bracket for [Futurix wide](#) (twin version): 100 % safety makes the luminaire completely unlosable. This bracket can be positioned on all distances.
