

N° 46 : March 2020

VLUX is one of the most active world leaders in the development, production and commercialisation of quality weatherproof luminaires.

News from VLUX

Dear Customer,

We implement the Covid-19 restrictions with responsibility and care for our customers, employees and suppliers. Despite difficult circumstances, we are fully mobilized to ensure a normal order processing and customer service.

The production unit continues working without interruption and you can reach the [sales team](#) at any time.
