

N° 47 : December 2021

VLUX is one of the most active world leaders in the development, production and commercialisation of quality weatherproof luminaires.

News from VLUX

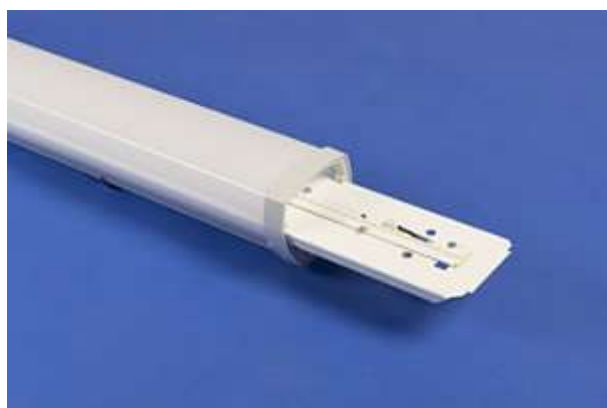

Dear Customer,

We implement the Covid-19 restrictions with responsibility and care for our customers, employees and suppliers.

Despite difficult circumstances, we are fully mobilized to ensure a normal order processing and customer service.

The production unit continues working without interruption and you can reach the [sales team](#) at any time.

ELX ACCESS

Our new version of the ELX fitting is no longer *sealed for life*.

The removable endcaps give access to the inner gear tray and make it possible to add several options like sensor and emergency kit.

[ELX Access Datasheet](#)

RLG

This panel is especially designed for low glare.

Easy to add in system ceilings or even on surface (option available)

multiple wattages are available.

[RLG Datasheet](#)

TUBE80

The TUBE80 can be used in various environments.

Excellent esthetics and high efficiency make this TUBE80 an eyecatching fixture for years to come.

WELCOME

We welcome our new [sales](#) representative for Latin America:

Mr. Miguel Pereira

Mail: ventas@vlux.com

Mobile: +351 910 504 333

LIGHT & BUILDING

It's still 3 months until Light + Building in Frankfurt 2022, and we are already looking forward to welcoming you in person. For now, we wish you and your family an enjoyable and pleasant holiday season and a great start into the New Year 2022!

We will be present at FRANKFURT LIGHT & BUILDING: STAND 3.0 C31

In Memoriam

Please be notified of our loss.

Mr. Jef Wouters, who has been our loyal employee for many years and well known and appreciated by a large number of our clients worldwide, has passed away on 23/11/2021 after a long battle against a devastating illness.

We send our deepest condolences to his friends and relatives.

Holidays

VLUX will be closed from 23/12/2021 at 17:00pm till 03/01/2022
